

Greetings to YOU the EPIC Practitioner,

WELCOME to YOUR Bio Genesis Lab™ and WELCOME to integrating SCIENCE with EPIC training to Positively IMPACT the world:)

...WE ARE EXCITED and WELCOME TO OUR FAMILY of Practitioners....

Here is what you need to know:

The turn around time is typically 3-5 days once received. We will email you the reports and we will discuss the findings. The goal is after 1-2 folks you can create the protocols based on your EPIC training and integrating the use of the Bio Feedback system.

Keep in mind there are 7 documents to YOUR KIT

- 1- **Release Form**- We must have a copy or We will not run scans...simple:) That is just **ONE from you/your clinic**...NOT from/for Each Client each time.
- 2- **ORDER FORM**- one form for each client / self being scanned- mailed IN with the sample.
- 3- **Mail out Instructions**- This is for **YOU** to guide the client / self on the proper process. This saves us ALL time if done correctly and thoroughly. THANK YOU!
- 4- **FAQ and TIPS** - just as it sounds....good info and great reference sheet
- 5- **Session Notes**- Excellent tool to understand what you will be looking at in the report emailed to you. It indicates colors and numbers and what they mean more in detail.
- 6- **Imprint / Remedy**- this is the HOW TO take and details of the custom tincture. Great tool also to print and provide your clients.
- 7- **Practitioner Wholesale Agreement** - ONLY need ONE per clinic/practitioner. Please mail in with your first order AND your Release form.

Hugs and LOVE
Angie Ates
