

## WHOLESALE Practitioner MAIL OUT instructions

For a Bio-Genesis System scan, please use the following procedures.

*Send your samples in as soon as possible to the address provided so we may have them processed and results ready for your client when they arrive for the appointment.*

*It takes approximately 5-7 days for completion of testing. Results will be EMAILED to you and FIRST time Wholesale Practitioners will get an appointment to REVIEW the results with Katie Felt ASAP once results are in.*

*THANK YOU for taking the time to help us provide a better service for EVERYONE!*

**STEP #1** - Choose **ONE** sample option:

- a) a lock (a few strands) of hair from the nape of the neck. We need about the same amount as what you would put in a Baby Book. Ideally 1/2" long
- b) Saliva Sample = Swab inside of the mouth for 20 seconds with a Q-tip.

**STEP #2** - Place sample(s) IN TO a ziplock bag. **PUT THE NAME ON THE ZIPLOCK.**

If you choose BOTH samples (optional) you may put them together in ONE ziplock. However, if you are sending in more than ONE clients' sample in, then EACH client must have their OWN sample in their OWN bag. (it makes them feel special too)

**STEP #3**- Fill out the ORDER form for EACH person sending in a sample. And include that order form with the separated samples in an envelope.

**STEP #4**- Include payment or pay via PAYPAL and then send sample(s) to:

Katie Felt  
P.O. Box 2138  
Granby, Co  
80446

Pay \$75.00 either via CHECK sent in  
with Samples or PayPal  
**Paypal.me/tuneyourhealth**

**NOTE** if you want a CUSTOM remedy/tincture  
created include \$25.00 + \$75.00 + \$5.00  
Shipping = \$105.00

\*\*\* Remedy WILL BE mailed to the address  
listed on the ORDER FORM\*\*  
(with instructions for use)

**No scans will be ran without payment.**
