

## Networking Information

### Spring 2020 EPIC Practitioner Business Academy Alumni

#### **Cheryl Brown**

**Niche:** I help men and women with stomach issues who are struggling with eating a balanced diet and losing extra weight.

**Lean In:** What I find is these folks often have bloating and flatulence and no resolve from Western Medicine. They don't feel heard or know where to get answers. What they really want is bowel regularity, balance in their life and information to prevent health issues.
